

CITYSHAPE 2020

what is it?

CityShape 2020 was a citizen driven process to "plan the physical form of Scottsdale's Vision." It was intended to be an extensive educational and community outreach process that would improve the Scottsdale General Plan as an expression of the Shared Vision. Led by a Steering Committee and involving 100's of citizens in Working Groups, CityShape established the basis for how we do planning now.

where does it apply?

Citywide.

who needs to use it?

City Council, City Boards and Commissions, Planning Commission, community groups and organizations such as the Scottsdale Cultural Commission, City staff, developers, and citizens.

why was it developed?

To involve citizens in assessing and improving the General Plan following the Scottsdale Visioning process.

key points:

- 1 CityShape established Six Guiding Principles:
 - a. Preserve Meaningful Open Space
 - b. Enhance Neighborhoods
 - c. Advance Transportation
 - d. Seek Sustainability
 - e. Support Economic Vitality
 - f. Value Scottsdale's Unique Lifestyle and Character
- 2 We use the Guiding Principles as the organizational structure of the General Plan.
- 3 "Points of Consideration" cards were created for staff and Planning Commissioners to use when reviewing project cases.
- 4 CityShape also developed the three level General Planning approach:
 - a. Citywide (through the General Plan)
 - b. Character Planning (through Strategic Area and Character Plans)
 - c. Neighborhood Planning (through Neighborhood Plans)
